First Annual De-Commissioning Celebration

We've had a few twists and turns caused by Social Distancing and the concerns for Staying Safe. But that won't keep us from having a great time, together! Now that the summer is over, we realize that many of us didn't get a chance to wear our "whites."
Our De-Commissioning Celebration gives us an opportunity to dress up and tell your favorite "Summer Boating Tales." Make your favorite Friday Night Meal and present it to the Virtual Meeting. We'll be judging whose '**Celebratory**' meal is the "Best Looking."

What is Decommissioning?
When a vessel is **decommissioned** for the season she is wrapped up nice and warm.
At this meeting we will be celebrating a unique season of boating.

Photo Contest moved to October Meeting

This summer was unique. With so many clubs, businesses, as well as, families and friends keeping their social distancing, photo taking was a challenge. But again — that didn't stop some of us. Hopefully you had a chance to take some pictures as you were working on the boat or working in the yard. Snapped a few screen shots of the family in their Zoom boxes or captured a Drive-By Celebration.

This year our ***Photo Theme is Virtual Reality Summer-The Spring / Summer of 2020.***
Send your photos to Kevin, kevinkuo97@gmail.com he will display them at our October Virtual Meeting. Best in Show Prizes will be awarded.
